

x ray diffraction and elemental analysis bruker - bruker designs and manufactures analytical instrumentation for elemental analysis materials research structural and surface investigations our innovative solutions enable a wide range of customers in heavy industry chemistry pharmacy semiconductor solar life science nanotechnology and academic research to make technological advancements and to accelerate their progress, **x ray inspection systems nordson dage** - browse nordson dage s high resolution nano focus x ray inspection systems designed for circuit board and semiconductor industries, **metrology equipment used surplus refurbished** - metrology equipment such as patterned wafer inspection xray fluorescence spectrometers sample preparation from used surplus refurbished semiconductor manufacturing equipment and facilities equipment for sale, **nikon metrology 3d scanning 3d inspection cmm** - nikon metrology offers solutions for all industrial measurement inspection and quality assurance needs in manufacturing and production environments, **quadra 5 x ray inspection system** - flexible x ray inspection down to 0.35um feature size quadra 5 is the x ray inspection system of choice for sub micron applications such as pcb and semiconductor package inspection counterfeit component screening and finished goods quality control, **handheld xrf analyzer spectrometer x ray fluorescence** - handheld x ray fluorescent xrf analyzers have the capability to quantify or qualify nearly any element from magnesium to uranium depending on specific instrument configurations portable xrf spectrometers allow you to take the battery operated analyzer to the sample rather than bringing the sample into the lab, **bid service used semiconductor manufacturing equipment** - the leading global supplier of used semiconductor equipment and refurbished laboratory equipment for over three decades bid service has been one of the leading suppliers of used semiconductor equipment and lab equipment to international scientific communities, **hermes epitek semiconductor manufacturing and fpd** - hermes epitek features international standard technological capabilities to deliver optimized product packages for semiconductor and fpd manufacturing equipment, **used scientific equipment for science and industry** - cbi is your source for buying and selling used equipment for the semiconductor and scientific communities we are an online showroom of fully guaranteed refurbished equipment cbi has been buying and selling equipment used in the manufacturing of semiconductor optoelectronic mems and nanotechnology products since 1987, **scienscope smartcam hd usb microscope camera** - measure measure your critical parts with ease and without a computer using the systems integrated field of view measurement software with nine powerful and simple tools built in to the camera itself you will be able to quickly verify that your manufacturing process can move along without the delays of more complicated systems, **companies the silicon engine computer history museum** - amelco semiconductor was founded in 1961 in mountain view california by fairchild founders jean hoerni eugene kleiner jay last and sheldon roberts, **advanced energy signs agreement to acquire lumasense** - expands ae s product portfolio in core and new applications fort collins colo july 30 2018 globe newswire advanced energy industries inc nasdaq aeis a global leader in innovative power and control technologies today announced the signing of an agreement to acquire lumasense technologies holdings inc based in santa clara california, **zeiss introduces new entry level spectrum cmm with latest** - maple grove minn dec 17 2018 prnewswire zeiss industrial quality solutions announces the new affordable spectrum bridge type coordinate measuring machine cmm line using the latest
